What to Do After a Car Accident

1. **Stay Calm & Check for Injuries**
    - Make sure everyone is safe. Call 911 if anyone is hurt.
2. **Move Cars Out of Traffic**
    - If possible, move vehicles to the side of the road. Turn on hazard lights.
3. **Call the Police**
    - Dial 911 and wait for officers.
    - Give your license and insurance information.
    - Ask for the officer's name/badge number and request a copy of the police report.
    - If police cannot come, exchange information with the other driver and file a report later.
4. **Exchange Information & Take Pictures**
    - Share names, phone numbers, addresses, driver's license, license plate, and insurance info.
    - Take photos of damage, vehicles, and the scene from different angles.
    - Get contact info from witnesses if possible.
5. **Start the Insurance Claim**
    - Contact your insurance company to report the accident.
    - Provide basic details and pictures.
    - A claims representative will guide you through the process.
